

## CALIFORNIA ENERGY COMMISSION

1516 NINTH STREET  
SACRAMENTO, CA 95814-5512  
www.energy.ca.gov

**Addendum 1  
December 14, 2012  
PON-12-605  
GRANT SOLICITATION APPLICATION PACKAGE  
NATURAL GAS FUELING INFRASTRUCTURE**

The purpose of this addendum is to update the following information in the application manual:

- Page 3 – Key Activities and Dates  
Updated Key Activities and Dates as defined on page 3 of the Application Manual, including the “Deadline to Submit Applications.”
- Page 4 – Eligible Projects  
Updated paragraph “A” removing some restrictions.

Page 5 – Maximum Award and Match Funding Requirements add the following language:

**Applicants may only propose one fueling station per Application submitted in response to this solicitation. Applicants may submit multiple Applications.**

- Page 5-6 – Pre-Application Workshop  
Updated the WebEx information to reflect the connection information for the 2<sup>nd</sup> WebEx Pre-Application presentation.

**Kevyn Piper  
Grants and Loans Officer**
