**PON-13-303
Addendum 1
June 19, 2014**

Advancing Utility-Scale Clean Energy Generation

The purpose of this addendum is to make the following revisions to the Solicitation Manual and Application Form:

Solicitation Manual (Program Opportunity Notice)

Part I

1. Page 1, Section I:
 - Replaced “research areas” with “project groups.”
 - Clarified that: (1) applicants may submit more than one application; and (2) if an applicant submits more than one application that addresses the same project group, each application must be for a distinct project (i.e., no overlap or duplication with respect to the tasks described in the Scope of Work, Attachment 6).
2. Page 7, Section E (Key Activities Schedule): Extended the date for distribution of questions and answers to 6/19/14.

Part III

3. Page 13, Section A (Application Format, Page Limits, and Number of Copies): Removed “Project Team Form” from the cumulative sixty page limit.

Part IV

4. Page 21, Section E (Application Screening): Revised Screening Criterion 2 to clarify that multiple projects submitted by the same applicant must be distinct if they fall within the same project group.

Attachment 1 (Application Form)

5. Page 1: Clarified that multiple projects submitted by the same applicant must be distinct if they fall within the same project group.
6. Page 3: Clarified that if the number of agreements for the applicant or subcontractor exceeds ten, the applicant or subcontractor must list at least ten of its most recent agreements, in order of date and relevance to the proposed project.
