<b>Total</b>	<b>100%</b>	<b>100%</b>	<b>100%</b>

\* 100% of Island Energy's Power is purchased from the Western Area Power Administration (WAPA).

Hydroelectricity delivered to Island Energy is generated from WAPA's Central Valley Project. The remaining power is purchased from unspecified energy from Pacific Northwest and unspecified energy from California Sources

\* California Power Mix is estimated annually by the California Energy Commission based on electricity sold to California consumers during the previous year.

For specific information about this electricity product, please contact Island Energy.

For General information about the Power Content Label, please contact the California Energy Commission at 1-800-555-7794 or [www.energy.ca.gov/consumer](http://www.energy.ca.gov/consumer).
